

## PASTOR'S NOTES

### 40 in the '40 days of Lent' —

If you count the actual number of days from Ash Wednesday to Easter Sunday you will end up with 47 days. **So how do we end up with '40 days of Lent'?**

As with many things there are numerous historical events and turning points that have brought us to where we are today and the same is true about our commonly understood notion of '40 days of Lent' that comprise the season of Lent.

In the earliest days of the Church (*Good Friday*) celebrated Christ's death with (*Holy Saturday*) celebrating Christ's time in the tomb and (*Easter Sunday*) culminating in Christ's resurrection from the dead. These days were known as the **Paschal triduum**. Soon Thursday (celebrating Christ's Last Supper) was incorporated into the days of the Paschal Triduum. But soon this whole week came to be directed towards the paschal festivities of Christ's life-giving death and resurrection. **This has come to be known as Holy Week in common parlance** with the Triduum being Holy Thursday, Good Friday and the Easter Vigil (Holy Saturday evening). Holy Week is meant to be a final, intense and focused meditation on the events that led up to **That Event**, which changed time and history.

On a second big historical note the sense of the faithful was that, since the glory of Easter was celebrated over the course of 50 days (the Easter season), there should be a similar length of time in penitential preparation for what Christ did in his agonizing passion and death in saving the human race. This is where the number 40 comes into play.

**In Scripture 40 is a highly symbolic number.** Forty represents a critical amount of time during which serious transformations of life happen. For example — it rained for **40** days and **40** nights during the time of Noah and the great flood; God forms the people of Israel during **40** years in the desert of the Exodus journey; Moses spends **40** days on Mt. Sinai when receiving the Ten Commandments; King David, to whom God makes a promise of a messiah, reigns as king for **40** years; Elijah walks **40** days to Mt. Horeb to receive the call to be Israel's first prophet; Christ fasted for **40** days in the desert before beginning his public ministry; after the Resurrection Christ appears for **40** days upon the earth before ascending to heaven.

In addition to the more intense focus of Holy Week and the fact that Christ spent **40** days in the desert, **40** seems an appropriate amount of penitential preparation to make up the season of Lent. Together '40 days of Lent and Holy Week seems a good balance to the 50 festive days celebrating Easter glory. In order to get '40 days of Lent', Lent has to begin on Ash Wednesday and go to Palm/Passion Sunday when the special focused preparatory time of Holy Week begins. And so it is we arrive at '40 days of Lent'.

**May our '40 days of Lent' and Holy Week** awaken us to the mystery of God's love-suffering for the human race and the promise of resurrected life for all who give themselves to Christ.

### God's Gift Appeal

This week most parish households should have received Bishop John Folda's letter seeking our support of the many works of the diocesan church. **This request is known as the God's Gift Appeal.** The total 2022 God's Gift Appeal for the Diocese of Fargo amounts to \$3,421,865. Each parish/mission in the Diocese of Fargo is asked to meet a certain goal towards that total diocesan goal of \$3,421,865.

St. Leo's 2022 parish goal is \$51,011. St. Thomas' 2022 parish goal is \$12,214. If each parish household in our 2 parishes were to each contribute \$210 we would meet our parish goals. Your generous support in this matter is deeply appreciated.

### This week's Stewardship moment:

*"A good tree does not bear rotten fruit, nor does a rotten tree bear good fruit." ~ Luke 6:43*

Are you using your gifts in the way God intended? Have you asked God how He would like you to use them? Do you compare yourself to others and complain about what you don't have instead of being thankful for what you do have? God gives each of us unique gifts and a unique plan. Listen to how God is calling you to use your gifts, to bear good fruit, for the glory of His name.
