

## *Mass of Healing and Reparation*

+++++

Tuesday, October 16, 2018

7:00pm

St. Leo's Church

Everyone can and should condemn the sins of the priests and cardinals that have been all over the news. The real challenge is to ask God what he is expecting us to do within this time, our time, in history.

If he has created us to live in these difficult times for Catholics, he must be calling us to some great task to help bring renewal to his Church and individual souls.

*-Fr. Mike Schmitz*
